As a result of the new rules, the number of people who are required to file taxes has increased from 100 million to 150 million.

## Taxpayers' view

While some do not see the new rules as a burden, many do. In fact, a survey of taxpayers found that 70% of people do not see the new rules as a benefit to them.

Many still see the new rules as a burden, and are concerned about the impact on their income.

Some people are also concerned about the impact on their income.
